## VOTE FOR ARMORY

Continued from page 1.  
had been done on the school buildings and George W. Caldwell moved to amend Mr. Steele's motion that such appropriation be made, so that all but the bill of \$1,500 for the architect be paid and Mr. Steele be required to pay that. A warm discussion in which Joseph Fairbanks, Mr. Caldwell, Dr. W. G. Ricker, Rev. E. E. Phillips, E. T. Ide, F. H. Brooks, Rev. Dr. A. P. Grint, J. C. Danforth and Rev. F. D. Moody took part followed. Mr. Caldwell then withdrew his amendment and the motion passed without a dissenting vote. The motion to appropriate \$6,200 for completing the repairs and equipping the South Building was also passed without a negative vote.

**Bond Issue of \$95,000.**  
When the articles relating to issuing refunding bonds to provide for the indebtedness of the town was reached J. Rolf Seales explained that the town now owed practically \$95,000 nearly all of which could be called at any time the banks see fit. On his motion it was voted to issue \$95,000 refunding bonds, bearing 4% interest, callable on any interest date after 10 years and payable in 30 years. And that a sinking fund of \$2,500 per year should be kept intact for a period of 10 years for the payment of such bonds.

**MR. RICHARDS ACCEPTS**  
Will Begin Pastorate of North Church in April.

Rev. Frederick B. Richards, of South Boston, Mass., has accepted the call of the North Church, and will begin his pastorate the middle of April. Mr. Richards is a native of Enfield, Mass. He was a graduate from Amherst College in 1885, and Yale Divinity School in 1891. Between college and divinity school he taught in Cheltenham Military academy near Philadelphia, and was principal of the high school at Kalamazoo, Michigan, for three years.

As soon as he entered the ministry he went to Wisconsin as a Congregational home missionary and starting with nothing built up in three years a strong and vigorous parish in West Superior. He raised the funds to build a \$5,000 church, which was burned on the evening of its dedication. Undaunted he raised sufficient money to build another church and left a strong organization in the field.

In 1894 Mr. Richards became pastor of the Bethany Mission of Broadway Tabernacle Congregational church in New York. For two years he carried on a strong constructive work there. He was temporary pastor of Broadway Tabernacle, resigning to accept the pastorate of the 14th Street Presbyterian church in New York. In this field there was a great influx of foreigners, few of whom were Protestant, but in seven years he received over three hundred new members and left the church free from debt.

He resigned to accept a call to Phillips Congregational church in South Boston in 1905.

## JUST NOW

Get ready to paint and varnish before spring cleaning comes. It will soon be here. Then if you get your inside work all done you can go to work outside. There are tables and chairs, floors and such to do over or retouch and a little paint and varnish restores them wonderfully, at small cost, too. Then the painters are not too busy at this season. Later they'll put you off sure until you'll say, "Why didn't I take the Peck Company's advice and do this work earlier?" "A stitch in time saves nine."

You may not know, but it's true, that we carry just about everything in the line of paint, varnish and brushes and we are glad to serve you—we'll send a man to do the work if you say so.

With pain and misery by day, sleep-disturbing bladder weakness at night, tired, nervous run-down men and women everywhere are glad to know that Foley Kidney Pills restore health and strength, and the regular action of kidneys and bladder. C. C. Bingham. adv
